

NEWSLETTER NO 2 – 4th October 2009

Carterton

It is with regret we have to announce Carterton have withdrawn from the competition. Their fixtures have been removed.

Post to the Admin Office

On some days we can receive over 400 items of mail so it would be of great assistance if all post sent to the League could use the following address to allow our post room to sort it for the correct department on arrival. By all means preface the address with “Player Registrations” or “Teamsheets” as appropriate, but do not address it to a particular person to ensure it is opened on receipt.

Team Sheets

A number of clubs have missed vital details from their teamsheets in the opening weeks of the season. Please double check you have awarded the referee a mark, indicated the goal scorers (in the correct column), shown any cautions and sending offs and marked which substitutes have been used. Players should be shown with their correct names – if they were registered with a double-barrelled name they should be listed under that name.
