- AGE-GROUP
- DIVISION OR CUP COMPETITION
- FULL NAME OF THE HOME TEAM AND THE NUMBER OF GOALS SCORED
- FULL NAME OF THE AWAY TEAM AND THE NUMBER OF GOALS SCORED

When E-Mailing the results, please include the above information in the body of the e-mail and DO NOT put it in an attachment.

There is a danger of a virus or incompatible software and we do not want your or the service's system to crash!

- ❑ **Please remember that ALL postponed or cancelled matches must also be telephoned, or texted, or e-mailed through.**

At the same time please advise the results' service as to the reason for the postponement or cancellation (i.e. due to weather / default, etc).

- ❑ **In addition, ALL Middlesex FA-Youth Division (or your parent County FA) cup results (whether you are playing at home or away) must be telephoned, or texted, or e-mailed through.**

We hope that the aforementioned procedures will allow the League to obtain ALL match results on a timely basis in order that the administration can be kept up-to-date, and also reduce the time / fines incurred by clubs for non-compliance.
