

HARROW YOUTH FOOTBALL LEAGUE / HARROW SOCCER COMBINATION **(FA ACCREDITED LEAGUES / FA CHARTER STANDARD & RESPECT LEAGUES)**

HYFL/HSC PLAYER REGISTRATION SYSTEM

As you are aware, the bespoke and highly-rated HYFL/HSC Player Registration system continues to be the player registration (and associated administration) system for all HYFL/HSC member clubs.

Full details are the subject of separate communications to which we would refer you to.

FOOTBALL ASSOCIATION (FA) PLAYER SYSTEM

As you know from correspondence/emails from The FA, this is the second season (2023/2024) that The FA require all clubs to input certain player data to The FA's systems. This must be completed 'before' a player can play in the HYFL/HSC.

If a player was registered last season for the club/team, then this will roll forward, but must be re-verified and checked by the club; and then sent for approval.

INPUT OF CERTAIN DATA TO THE FA SYSTEMS

The only required data (for each of the club's players) - linked to the *Club and Team* (for example *Pinner Rovers Under 12 Red*) is:

- *First Name and Surname of the Player*
- *Date of Birth and Gender*
- *Email Address (if 16+)*
- *Parent Name and Email address (if under 16)*

Once completed, please then send for approval.

Remember, a player can only be registered to one club and one team, playing on a Sunday.

Please make sure that all Under 7 to Under 11 players/teams are linked to 'Harrow Soccer Combination'; and all Under 12 to Under 18 players/teams are linked to 'Harrow Youth Football League'.

The FA have offered to provide guidance to clubs with the above data-input process; please email them at info@middlesexfa.com.

Thank you – HYFL/HSC Management Committees - August 2023
