HARROW SOCCER COMBINATION

**THANKS
DAD**

You think you're 'supporting' your son. His team-mates think he's a loser because his Dad mouths off from the sidelines.

Are you losing it?

Respect 

www.TheFA.com/respect

There is also nothing more important in football than keeping players, coaches, spectators, match officials and everyone involved safe. If we can do that, we can do that, we can all enjoy the game we love.

The Harrow Soccer Combination and all its member clubs support The FA's Respect programme. We recognise that everyone in football has a collective responsibility to create a fair, safe and enjoyable environment in which the game can take place. We value the courtesy and fairness by all players, officials and spectators.

If we do not have Respect for the opposition players and coaches, and especially for the match referee, then we do not have a game of football.

In the Combination, equality, diversity and inclusion means valuing and celebrating our differences. Every one is welcome and every single participant has the right to play the game with confidence and without prejudice, regardless of ability and background. The Combination is proud of the achievements and progress so far across the football family, as we all continue on the journey to make the game truly FOR ALL; we hope that you will all join with us.

HSC PLAYER REGISTRATION AND TRANSFER PROCEDURES

Full details are given in the User Guide (which must be read in conjunction with this summary note); along with the Combination Rules.

Registration of each of your players (for each team), must be done through the website: www.hyfl.website. We strongly recommend that you use 'Google Chrome' as the internet browser to enter the system.

On the page for player registration, please enter (completely and accurately) the player's full first name and surname (no middle names or initials), along with their date of birth. Also, please upload/attach the following (in .jpg) to the database (each document should not exceed 5Mb in size): (a) a current (taken no more than 6 weeks prior to registering the player) passport-sized photograph of the player, that meets the minimum quality standards as given in the User Guide (and portrait format) - so head and shoulders only in show and with a plain, light background (no glasses or hats), please make sure that the photo is the right way up and the right size (rotate as necessary) and also that it is not squeezed in terms of size; and (b) evidence of the player's date of birth (in 'landscape' format) - such as last season's (only) player laminate ID card, passport (details/photo page only, not the facing page, and in-date), birth certificate (certified copy - only with the name/date of birth is required, not the full document), or other official document, each meeting the standards as given in the User Guide. Once this is done and you wish to submit the registration, you will be asked to confirm that all the data entered is complete and accurate. Certain checks will be undertaken by the system and, if all of them are passed, then a player registration number for the season will be automatically generated by the system.

Only upon the correct completion of all the above-mentioned procedures and the issuance of a valid player registration number will the player be duly registered for your club/team. Clubs may register players up until Saturday night for the Sunday match.

The maximum number of players, who can be registered at any point of time, per team, is 20.

The final date for registering/transferring players is Saturday 28th February 2026.

Once a player is validly registered, clubs will have the facility to print a detailed report of the player, comprising all of the entered personal details, the uploaded photograph and the registration number, from the system.

A personalised player laminate ID card will be subsequently issued by the Combination to clubs for each registered player.

A player can register for only one club/team at a time, for any one Sunday competition across England.

A club may seek to cancel a player's registration, at any time, by notifying the Combination AND returning the player laminate ID card to the Combination. Upon the receipt of these, the Combination will then cancel the registration on the system, and notify the club of such action. Until ALL of these procedures are completed, the player shall remain a registered player for that club.

A club/team may seek to transfer a player to them by first writing to the club with whom the player is current registered (copying in the Combination too) and seeking permission for the said player to be transferred. The Combination, after receipt of such permission AND the player laminate ID card being returned to and being received by the Combination, will effect the transfer and update the system, taking the player off the old club/team's record and adding the player to the new club/team's record. Until ALL of these procedures are completed and the Combination has provided a written confirmation to the clubs/teams concerned of such actions, then the player shall not be considered to be transferred and shall remain a registered player for his old club/team. This procedure also applies to the transfer between teams within the same club.

All player laminate ID cards MUST be made available at all matches. In cases where such cards have not yet been distributed by the Combination to the club, a printed copy report (downloaded from the system) of the details of all registered players MUST be made available at all matches. For the avoidance of doubt, electronic copies of such cards/reports via computer, ipad, iphone, etc. is NOT acceptable.

All clubs/teams must check their opponent's cards/reports at all matches in the Combination.

If a club/team fails to provide the cards/reports at the match, the game shall still take place. However, the club/team in default shall arrange for each player to write his/her name on a piece of paper along with their date of birth in the presence of the opposing team. The opposing team must then submit this to the Combination for checking.

Please read the Combination Rules in detail which, in the case of any inconsistency with the above, shall fully apply. Please also read the User Guide which provides further details for assistance and requirements.

HSC PLAYER REGISTRATION ADVICE

There are 5 key fields when registering a player and these need to be accurate to avoid subsequent rejection.

First Name	Must be entered exactly as given on the proof document e.g. if the player's first name on the document is Daniel but known as Danny, you must enter Daniel. No middle names shall be included. Please double-check that the spelling of the name exactly matches that on the proof document.
Last Name	Enter exactly as given on the proof document. If the player has 2 or more last names, then all must be entered exactly as given on the proof document. If the name has a hyphen, please enter it but if not do not add a hyphen if there is not one on the document. Please double-check that the spelling of the name exactly matches that on the proof document.
Date of Birth	This must be taken from the proof document, converting the month alpha characters to numeric. So Jan is 01, May is 05, Aug is 08, Dec is 12, etc.
Player Image	This must be a current photo (taken no more than 6 weeks prior to registering the player) of the player's face and shoulders only - not his/her body. The player must be looking directly at the camera. The photo must be a close-up of the player's face such that there is just a small amount of light background visible around the head. The player must not be wearing glasses or a hat. There must not be others in the photograph. The photograph must be taken in 'portrait' mode and be less than 5Mb in size (and in .jpg format). It is important to check for this before starting the registration process as some photos will be taken by others without checking the size or that it is taken portrait. Please check that the image is showing in the correct way and, if not, rotate it before registering the player, using the rotate button. Before registering the player, please use the 'View' function in order to ensure that the photo meets the minimum requirements.
Document Image	This is the area that causes most rejections and this is because users often do not observe the requirements. There are three documents that can be used to provide proof that the player is eligible to play for the club: 1. The player's 2024-2025 registration laminate ID card. The photo of this card must be taken from directly overhead, not at an angle, and be taken in 'landscape' mode. There must be no background. 2. An in-date passport details photo page. When opened this is the lower half of the 2 pages that are visible. You must only photograph this lower half and ensure that everything is included in the photo; this includes the lower 2 lines of data which can be used to confirm details if a part of the document is unreadable. The proof image must be taken from directly overhead, not at an angle, taken in 'landscape' mode with no background. 3. A birth certificate. Only the top of the document showing the official wording, the player's name and date of birth. Nothing else is required. Again, this must be photographed from directly above, not at an angle, in 'landscape' mode with no background. It is important that the document image uploaded is readable (and less than 5Mb in size) and this means taken in good light but not with a light shining directly on it as this might obscure certain key details. Please check that the image is shown in the correct way and, if not, rotate it before registering the player using the rotate button. Before registering the player, please use the 'View' function in order to ensure that the photo meets the minimum requirements.

Goals - For safety reasons, the goals, including those which are portable, must be anchored securely to the ground. The goals and cross bars must be white. Nets shall be attached to the posts, crossbars and ground behind the goals.

Substitutes -

	Maximum match-day Squad size	Maximum number of Substitutes	Repeat/ Rolling?
Under 7	10	5	Yes
Under 8	10	5	Yes
Under 9	14	7	Yes
Under 10	14	7	Yes
Under 11	14	5	Yes

Power-Play - 'Power Plays' apply in the Under 7 to Under 10 age-groups (only).

If a team is losing by a four goal difference they can put an 'additional' player on (so 5v5 becomes 6v5; and 7v7 becomes 8v7).

If the score returns to less than a four goal difference, then the team takes off a player.

If a team goes on to be losing by a six goal difference a further additional player can be added (so 6v5 becomes 7v5; and 8v7 becomes 9v7).

If the score returns to less than a six goal difference then the team takes off a player.

Offside - There shall be no offsides in the Under 7 to Under 10 age groups inclusive. Players may place themselves in any part of the playing area, except in the penalty area at the time of a goal kick and at the time of a penalty kick and at the time of a free kick to the defending team.

Fouls and Misconduct - Under 7 to Under 10 age groups only:

- (1) A free kick awarded to the defending team in their own penalty area shall be taken from any point within the penalty area. When a player is taking a free kick inside his own penalty area, all of the opposing players shall be outside the penalty area and at least 5 yards from the ball, until it is in play.
- (2) There is no time limit for a goalkeeper to release the ball back into play. The goalkeeper shall be permitted to touch the ball with his hands (i.e.) pick up the ball, when it has been kicked to him by a player from his own team, or thrown to him by a player from his own team.

Heading - There shall be no deliberate heading of the football in Under 7 to Under 10 age groups. An indirect free kick shall be awarded if a player deliberately heads the football.

The Throw-In - In the Under 7 to Under 10 age groups, when the ball passes over the touch-line, instead of a throw-in a pass-in or dribble-in is awarded.

The Goal-Kick - In the Under 7 to Under 10 age groups only:

- (1) The ball shall be kicked directly into play beyond the penalty area, from any point within the penalty area, by a player of the defending team.
- (2) Players of the opposing team shall retreat to the half-way line, until the ball is in play. The ball is in play as soon as it leaves the penalty area.
- (3) A goal kick is still permitted to be taken quickly and at any time by a player from the defending team; he/she does not have to wait until all players from the opposing team have retreated to at least the half way line.

FOR **ALL**

Safeguarding Children Policy and Procedures

1. The Harrow Soccer Combination (the 'Combination') acknowledges its responsibility to safeguard the welfare of every child and young person directly connected with the Combination and is committed to provide a safe environment for all. We recognise that a child or young person is anyone under the age of 18 and therefore we have a responsibility to ensure appropriate safeguards are in place. As such, we subscribe to The Football Association's (the FA) Safeguarding Children - Policy and Procedures.

The Combination endorses and adopts the following key Safeguarding principles:

- (I). The child's welfare is, and must always be, the paramount consideration.
- (II). All children and young people have a right to be protected from abuse, regardless of their; age, gender, gender reassignment, sexual orientation, marital status or civil partnership, race, nationality, ethnic origin, colour, religion or belief, ability or disability, pregnancy and maternity.
- (III). All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately.
- (IV). Working in partnership with other organisations, children and young people and their parents/carers is essential.

We acknowledge that every child or young person who plays or participates in football should be able to do so in an enjoyable and safe environment and be protected from poor practise and abuse. The Combination recognises that this is the responsibility of every adult involved in our Combination.

2. The Combination has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The FA's Safeguarding Children Regulations (see The FA Handbook) apply to everyone in football, whether in a paid or voluntary capacity, including coaches/managers, volunteers, match officials, helpers on club tours, or medical staff or other club officials/helpers.

3. The Combination supports The FA's Whistle Blowing Policy. Any adult or young person with concerns about an adult in a position of trust in football can 'whistle blow' by contacting The FA Safeguarding Team on 0800 169 1863, or by writing to The FA Case Manager at The Football Association, Wembley Stadium, PO Box 1966, London SW1P 9EQ, or by emailing Safeguarding@TheFA.com or, alternatively, by going direct to the Police, Children's Social Care or the NSPCC. The Combination encourages everyone to know about The FA's Whistle Blowing Policy and utilise it if necessary.

4. We acknowledge and endorse The FA's identification of bullying as a category of abuse. Bullying of any kind is not acceptable. If bullying does occur, all players or parents/carers should be able to access their clubs anti-bullying policy and know that incidents will be dealt with appropriately.

5. The Combination recognises that safeguarding is everyone's responsibility and our registered clubs are required to ensure their safeguarding children policy and procedures are shared with their members and actively promoted.

The Combination requires any concerns about a child to be managed by:

(I). Informing the Club Welfare Officer (Youth Teams) (CWO)

(II). If the issue is one of poor practice the club's CWO will either:

- deal with the matter themselves

or

- seek advice from the County FA Designated Safeguarding Officer (CFA DSO)

(III). If the concern is more serious - for example a concern about possible child abuse, the CWO must contact the CFA DSO. If they are not available immediately, then either the Police or Children's Social Care must be contacted.

(IV). If the child needs immediate medical treatment then they must be taken to a hospital, if necessary, an ambulance should be called and advised that this is a child protection concern.

(V). If, at any time, a club member is not able to contact their CWO, or the matter is clearly serious then they can either:

- Contact the CFA Designated Safeguarding Officer directly
- Contact The FA's Safeguarding Team on **0800 169 1863**
or Safeguarding@TheFA.com
- Contact the Police or Children's Social Care
- Call the NSPCC 24-hour Helpline for advice on **0808 800 5000** or text **88858** or email help@nspcc.org.uk

If the CWO was not available then the club members are required to let them know what action they have taken, they in turn must inform the CFA DSO.

The Combination understands and accepts our collective responsibility to adhere to and promote The FA's Safeguarding Children Policy and Procedures with our registered clubs.

Equality Policy and Complaints Procedure

The aim of this policy is to ensure that all members of the community are treated fairly and with respect and that the Harrow Soccer Combination (the 'Combination') is equally accessible to them all.

The Combination is responsible for setting standards and values that apply throughout the Combination at every level. Football belongs to and should be enjoyed by everyone, equally. Our commitment is to confront and eliminate discrimination whether based on gender, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability and to encourage equal opportunities.

This policy is fully supported by the Combination Officers and Andy Lowe who holds the post of Executive Officer at the Combination and is responsible for the implementation of this policy.

Equality at the Combination means that in all our activities we will not discriminate, or in any way treat anyone less favourably, based on grounds of gender, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability. It means that we will ensure that we treat people fairly and with respect and that we will provide access and opportunities for all members of our activities. And it means that we will not sanction any action, or lack of action, which might disadvantage a member compared to another for any reason related to the list above.

The Combination will not tolerate harassment, bullying, abuse or victimisation of an individual (which for the purpose of this policy and the actions and sanctions applicable is regarded as discrimination). This includes sexual or racially based harassment or other discriminatory behaviour, whether physical or verbal.

The Combination will work to ensure that such behaviour is met with appropriate action in whatever context it occurs.

We are committed to the development of a programme of ongoing training and awareness raising events and activities in order to promote the eradication of discrimination within the Combination and in the wider context, within football as a whole. We are also committed to circulating this policy to all our members and working with them to ensure that this is a shared policy that all members can collectively work towards.

The Combination is committed to a policy of equal treatment of all its members and requires all members to abide and adhere to these policies and the requirements of the Equality Act 2010.

The Combination commits itself to the immediate investigation of any claims of discrimination on the above grounds and where such is found to be the case, the practise will be stopped and sanctions will be imposed, as deemed appropriate. We will also work with Middlesex Football Association to achieve the same outcomes.

Complaints Procedure

In case any member feels that he or she has suffered discrimination in any way or that the Combination's Policies, Rules or Code of Conduct has been broken they should report the matter to the Executive Officer or another member of the Management Committee.

If the complaint is with regard to the Combination's Management Committee the member has the right to report the discrimination directly to Middlesex Football Association or to The Football Association.

The Registration Secretary shall notify, as far as is possible and practicable, the Club/Team last submitting the Player registration of the fact of the previous registration.
- (F) It shall be a breach of these Rules for a Player (and/or Club) to:-
- (i) Play for more than one Club or Team in the Competition in the same Playing Season without first being transferred.
 - (ii) Having registered for one Club or Team in the Competition, register for another Club or Team in the Competition in that Playing Season, except for the purpose of a transfer or the first Club to whom the Player registered having cancelled the registration, or where the Competition adopts Rule 18(P).

Until such written confirmation is received from the Registration Secretary, the Player shall still be deemed to be a registered Player for the original current Club in accordance with the Rules.
