If a goalkeeper is playing then postponement may be requested if no other Player is playing. Request for postponement must be made in writing and directed to both the Fixture Secretary and the Secretary (Executive Officer) and will be granted as long as the above conditions prevail and the request has been submitted at least 10 days prior to the match.

The Fixture Secretary shall have the power to order Teams to play mid-week evening and/or Saturday matches and/or double (back to back) matches where he/she considers it necessary or appropriate. Mid-week and/or Saturday and/or double (back-to-back) matches may also be mutually agreed and arranged by two Teams.

 - (b) order the Competition Match to be rescheduled. The Management Committee shall also have the power to order the rescheduled Competition Match to be played on a neutral ground or on the opponent Club's Ground if they are satisfied that such action is warranted by circumstances.

In addition, the Management Committee shall, at its discretion, order one or more of the following (as appropriate):

In all cases where a Competition Match has been abandoned owing to the conduct of both Teams or their Club member(s), the Management Committee shall rule that neither Team will be awarded any points for that Competition Match and it shall not be replayed.

No fine(s) can be applied by the Management Committee for an abandoned Competition Match.

- (v) The Management Committee shall review any Competition Match that has taken place where either or both Teams were under a suspension imposed upon them by The FA or Affiliated Association. REPORTING RESULTS

21. (A) The Match Form Secretary must receive from each Team within 2 days of the date played, the Match Result Form and the result of each Competition Match in the prescribed manner. This must include the forename and surname of each of the Team Players who played in the match and also the referee markings required by Rule 23, and any other information required by the Competition. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff). Clubs will be fined an additional amount (in accordance with the Fines Tariff) on a weekly basis until the Match Result Form is submitted. Failure by a Team to submit the Match Result Form within 8 days of the date played will result in fixtures being withdrawn from the offending Team until such time as the Match Result Form is submitted. Such withdrawal of fixtures shall be deemed as a defaulted fixture under Rule 20(E)(i).
- (B) The Match Result Form, fully and correctly completed, shall be signed by an Officer of the Club, or as prescribed by the Competition. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff). By so doing, the Officer of the Club certifies that all information is correct and accurately records the details of the Competition Match. A fine will be levied (in accordance with the Fines Tariff) for each entry that is incomplete or incorrect.
- (C) The Competition and Clubs are permitted to collect but NOT publish results or any grading tables for fixtures involving: Under 7s, Under 8s, Under 9s, Under 10s, and Under 11s. Any Competition failing to abide by this Rule will be dealt with by the Sanctioning Authority, and any Club failing to abide by this Rule will be fined (in accordance with the Fines Tariff). The Competition and Clubs are permitted to collect and publish results for trophy events.
- (D) Both Clubs shall telephone or SMS or email the result of each Competition Match (including any County FA cup matches in which Clubs are competing) and, for the avoidance of doubt, also include postponed, cancelled or abandoned matches, to the Competition results' service by 5.30pm on the day of the match in the prescribed manner. Clubs in default will be fined (in accordance with the Fines Tariff). This Rule only applies to Youth Football (Under 12 to Under 18); not Mini-Soccer (Under 7 to Under 11).

DETERMINING CHAMPIONSHIP

22. (A) In Competitions where points are awarded, Team rankings within the Competition will be decided by points with three points to be awarded for a win and one point for a drawn Competition Match. The Teams gaining the highest number of points in their respective divisions at the end of the Playing Season shall be adjudged the winners. Competition Matches must not be played for double points.

In the event of two or more Teams being equal on points at the end of the Playing Season, for the position of division winners or runners-up only, rankings shall be determined by deciding match(es) played under conditions determined by the Management Committee.

- (B) and (C) Not adopted.

- (D) In the event of a Team withdrawing from the Competition before completing 75% of its fixtures for the Playing Season, all points obtained by or recorded against such defaulting Team shall be expunged from the Competition table.

In the case of a Team completing 75% but not 100% of its fixtures for the Playing

Season the outstanding matches shall be awarded by the Management Committee to the Teams not in default.

For the purpose of this Rule, completed fixtures shall include any Competition Matches(s) which have been awarded by the Management Committee.

MATCH OFFICIALS

23. (A) Registered referees (and assistant referees where approved by The FA or County FA) for all Competition Matches shall be appointed in a manner approved by the Management Committee and by the Sanctioning Authority.

(B) In cases where there are no officially appointed Match Officials in attendance, the Clubs shall agree upon a referee. Where there is no such agreement, it is the duty and responsibility of the home Club to obtain a person to referee. An individual thus agreed upon shall, for that Competition Match, have the full powers, status and authority of a registered referee. Individuals under the age of 16 must not participate, either as a referee or assistant referee, in any Under 17 or Under 18 match. Referees between the ages of 14 and 16 are only eligible to officiate in a Competition Match where the Players' age banding is at least one year younger than the age of the referee or assistant referee. For example, a 15 year old may only officiate in a Competition Match where the age banding is 14 or younger.

Individuals under the age of 14 must not participate either as a referee or assistant referee in any Competition Match.

Failure to comply with this Rule shall result in the match being deemed to have been defaulted under Rule 20(E)(i).

(C) Where assistant referees are not appointed, each Team shall provide a Club assistant referee. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff) being imposed on the defaulting Club. An assistant referee provided by a Team, unless a registered referee, must be at least one year older than the age group in which the match is played, but under no circumstances shall be below the age of 14.

(D) The appointed referee shall have the power to decide the fitness of the Ground in all Competition Matches and that decision shall be final subject to the right of the local authority or ground authority to declare the pitch unfit for play. This right shall not apply where the home Team are the pitch owners or have control over the pitch.

(E) Subject to any limits/provisions laid down by the Sanctioning Authority, Match Officials appointed under this Rule shall be paid a match fee in accordance with the Fees Tariff (inclusive of travel expenses).

Match Officials will be paid their fees by the home Club (prior to the commencement of the match) unless otherwise ordered by the Management Committee. All assistant referee fees are to be shared equally between the two Clubs. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff).

(F) In the event of a Competition Match not being played because of circumstances over which the Clubs have no control, the Match Officials, if present, shall be entitled to actual travel expenses only. Where a Competition Match is not played owing to one Club being in default, that Club shall be ordered to pay the Match Officials, if they attend the Ground, their full fee. Failure to comply with this Rule will result in a fine (in accordance with the Fines Tariff).

- (G) A Match Official not keeping his or her engagement, and failing to give satisfactory explanation as to their non-appearance, may be reported to the Affiliated Association with which he or she is registered.
 - (H) Each Club shall, in a manner prescribed from time-to-time by The FA, award marks (out of 100) to the referee for each match and the name of the referee and the marks awarded shall be submitted to the Competition in the prescribed manner. Clubs awarding a mark of 60 or less in a match shall submit a detailed report to the Referees' Officer explaining why such a mark has been awarded within 2 days of the match. Clubs failing to comply with this Rule shall be fined (in accordance with the Fines Tariff) and dealt with as the Management Committee shall determine.
 - (I) The Competition shall keep a record of the markings and, on the form provided by the prescribed date each Playing Season, shall submit a summary to The FA/County FA.
 - (J) The referee shall submit a report form, supplied by the Competition, giving the result of the Competition Match, the number of Players in each Team, the time of kick-off and such other information as is requested by the Competition to the Secretary (Executive Officer) within 2 days of the Competition Match.
 - (K) Match Officials shall be supplied, each Playing Season, with a copy of the Competition Rules free of charge.

LEAGUE CHALLENGE CUP RULES

1. The Competition shall be known as the, "Harrow Youth Football League Challenge Cup" and shall be open only to Clubs competing in the Competition.
2. The competition shall be fully managed by the Management Committee. The competition will operate at the same age-groups as in the Competition, but the Management Committee shall have the power to combine age-groups where numbers of teams make it necessary. The Rules of the Competition shall fully apply except where stated otherwise in these rules.
3. An entrance fee (non-refundable) shall be paid by each competing team on or before 1st September in each year. This fee shall be decided annually at the Annual General Meeting. No deposit shall be required.
4. All ties shall be drawn and all rounds shall be on a knock out basis. The draw shall be circulated to all Clubs. The Club first drawn shall have choice of ground except in the final tie which shall be arranged by the Management Committee, who shall take all receipts of the match and play all reasonable expenses.
5. All matches shall be played in accordance with the Laws of the Game as determined by the International Football Association Board. The duration of matches shall be the same as for Competition matches. If the scores are level after the completion of normal time in all rounds including the final tie, then the result of the match shall be determined by the taking of penalty kicks in accordance with the conditions prescribed by the International Football Association Board. No replay shall take place.
6. (a) A Player shall only be eligible to play in the semi-final or final rounds after he has taken part in at least four matches for the same Team within the Competitions of the League, during the current season, prior to the date of these rounds. For the purpose of this rule, League Challenge Trophy matches shall count towards the four-match qualification.

(b). No player shall play for more than one Club or Team in the Playing Season.

(c). Where a Club has two or more Teams competing in cup competitions (whether in the same or different age groups), they are to be regarded as separate Clubs and no player shall be permitted to play for one Team if he has already played for another Team within his Club in the League Challenge Cup competition.

(d). Any Team playing an unregistered and/or ineligible player(s) shall be struck out of the competition, fined a sum of £60 for each offence and the match awarded to their last opponents.
7. In all rounds, except the final tie, the Match Officials fees are to be shared by both Clubs competing in each match. The home side is responsible for paying all such fees to the Match Officials before the commencement of the match.
In the semi-final and final ties, matches may not take place unless under the control of a referee appointed by the Referees' Officer.
8. (a) In the event of two Clubs in a cup final having the same or similar colours both shall change their colours.

(b). Each Team in a cup final shall purchase one hundred tickets/programmes for their respective final. The cost of these will be decided by the Management Committee. All tickets/programmes are non-returnable.

9. When the winners of the cup shall have been ascertained, 16 awards will be presented to the winners and runners up in the Under 13 to 18 sections (inclusive) and 14 awards in the Under 12 section. The Management Committee shall have the power to withhold mementoes in any section, should the number of teams competing be deemed insufficient or for any other causes not provided for in these rules.

LEAGUE CHALLENGE TROPHY RULES

1. During any season the Management Committee shall consider organising a challenge trophy competition. In making this decision they must take into account the number of games still to be played and the number of weeks remaining in the season. Each age-group within the Competition must be considered separately.

2. If a challenge trophy competition is organised, all Clubs that have Teams within the age group for which it is proposed to run such a competition may apply to enter. The Management Committee shall have the absolute power to refuse the entry of any Team, or to cancel the entry of any Team at any time, should they consider that the number of games they have outstanding in all other competitions would cause problems in scheduling challenge trophy competition fixtures, be to the detriment of the other competitions of the Competition, or for any other reason.

3. The Management Committee shall decide the age-groups to be organised together with the groupings of Teams. The challenge trophy competitions shall be fully managed by the Management Committee.

4. The duration of matches will be the same as in the League Competitions for each age-group.

5. The Management Committee may decide in any challenge trophy competition that a definite result is required at any stage of the competition. In such cases the method of obtaining that definite result will be determined by the Management Committee and communicated to both Clubs at least twenty four hours prior to the match taking place.

6. No qualification period matches are required by any player to take part in any challenge trophy competition.

7. Subject to rule 5, in the case of final matches in challenge trophy competitions (or part competitions) run on a knock out basis, should the scores remain level after normal time, the result and the trophy (if any) shall be determined by the taking of penalty kicks in accordance with the conditions prescribed by the International Football Association Board. No replay shall take place.

8. The Management Committee shall decide the level of any entrance fee.

9. At the close of the challenge trophy competition, award(s) of a type to be decided by the Management Committee may be presented.

10. With the exception of these rules, the Rules of the Harrow Youth Football League shall fully apply. Any matter outside of these rules and/or of the League rules shall be decided by the Management Committee at its absolute discretion.

KNOCK-OUT COMPETITIONS - TAKING OF PENALTY KICKS

This is as summary of Law 10: Determining the Outcome of a Match

BEFORE KICKS FROM THE PENALTY MARK START

- Unless there are other considerations (e.g. ground conditions, safety etc.), the referee tosses a coin to decide the goal at which the kicks will be taken, which may only be changed for safety reasons or if the goal of playing surface becomes unusable.
- The referee tosses a coin again and the team that wins the toss decides whether to take the first or second kick.
- With the exception of a substitute for a goalkeeper who is unable to continue, only players who are on the field of play or are temporarily off the field of play (injury, adjusting equipment etc.) at the end of the match are eligible to take kicks.
- Each team is responsible for selecting from the eligible players the order in which they will take the kicks. The referee is not informed of the order.
- If, at the end of the match and before or during the kicks, one team has a greater number of players than its opponents, it must reduce its numbers to the same number as its opponents and the referee must be informed of the name and number of each player excluded. Any excluded player is not eligible to take part in the kicks (except as outlined below).
- A goalkeeper who is unable to continue before or during the kicks may be replaced by a player excluded to equalise the number of players or, if their team has not used its maximum permitted number of substitutes, a named substitute, but the replaced goalkeeper takes no further part and may not take a kick.
- If a goalkeeper has already taken a kick, the replacement may not take a kick until the next round of kicks.

DURING KICKS FROM THE PENALTY MARK

- Only eligible players and match officials are permitted to remain on the field of play.
- All eligible players, except the player taking the kick and the two goalkeepers, must remain within the centre circle.
- The goalkeeper of the kicker must remain on the field of play, outside the penalty area, on the goal line where it meets the penalty area boundary line.
- An eligible player may change places with the goalkeeper.
- The kick is completed when the ball stops moving, goes out of play or the referee stops play for any offence; the kicker may not play the ball a second time.
- The referee keeps a record of the kicks.
- If the goalkeeper commits an offence and, as a result, the kick is retaken, the goalkeeper is warned for the first offence and cautioned for any subsequent offence(s).
- If the kicker is penalised for an offence committed after the referee has signalled for the kick to be taken, that kick is recorded as missed and the kicker is cautioned.
- If both the goalkeeper and the kicker commit an offence at the same time, the kick is recorded as missed and the kicker cautioned.

SUBJECT TO THE CONDITIONS EXPLAINED BELOW, BOTH TEAMS TAKE FIVE KICKS

- The kicks are taken alternately by the teams.
- Each kick is taken by a different player, and eligible players must take a kick before any player can take a second kick.
- If, before both teams have taken five kicks, one has scored more goals than the other could score, even if it were to complete its five kicks, no more kicks are taken.
- If, after both teams have taken five kicks, the scores are level, kicks continue until one team has scored a goal more than the other from the same amount of kicks.
- The above principle continues for any subsequent sequence of kicks but a team may change the order of kickers.
- Kicks from the penalty mark must not be delayed for a player who leaves the field of play. The players' kick will be forfeited (not scored) if the player does not return in time to take a kick.

SUBSTITUTIONS AND SENDING-OFFS DURING KICKS FROM THE PENALTY MARK

- A player, substitute or substituted player may be cautioned or sent off.
- A goalkeeper who is sent off must be replaced by an eligible player.
- A player, other than the goalkeeper, who is unable to continue may not be replaced.
- The referee must not abandon the match if a team is reduced to fewer than seven players.

LEAGUE HONOURS

Season 2025-2026 successfully concluded with all age groups (Under 12 to Under 18 inclusive) finalising their fixture programme (38 divisions) by the end-May timeline, despite some inclement weather. This enabled all of our over 11,500 registered players to play and enjoy competitive football; thus, among other things, develop their football skills and techniques, alongside the associated benefits of physical, mental and social well-being. We were able to facilitate, for a number of age groups, highly successful Trophy knock-out competitions.

Set out below are the divisional club/team winners and runners-up; and all players in the teams noted were recognised for their achievements with individual mementoes.

The Bobby Moore Fund

In 1993 when Bobby Moore OBE died prematurely from bowel cancer at the age of 51, the nation grieved for a football legend and a true gentleman of the beautiful game.

Stephanie Moore OBE established the Bobby Moore Fund, in partnership with Cancer Research UK, and since its launch the fund has become the UK's No. 1 bowel cancer charity raising over £31m for ground breaking bowel cancer research projects and awareness campaigns.

Bowel cancer still remains the second biggest killer in the UK; however, 90% of patients will survive the disease for more than five years if diagnosed at the earliest stage.

The Bobby Moore Fund seeks to raise awareness about the disease and to raise vital funds for bowel cancer research.

SAFEGUARDING CHILDREN Policy and Procedures

1. The Harrow Youth Football League (the 'League') acknowledges its responsibility to safeguard the welfare of every child and young person directly connected with the League and is committed to provide a safe environment for all. We recognise that a child or young person is anyone under the age of 18 and therefore we have a responsibility to ensure appropriate safeguards are in place. As such, we subscribe to The Football Association's (the FA) Safeguarding Children - Policy and Procedures.

The League endorses and adopts the following key Safeguarding principles:

(I). The child's welfare is, and must always be, the paramount consideration.

(II). All children and young people have a right to be protected from abuse, regardless of their; age, gender, gender reassignment, sexual orientation, marital status or civil partnership, race, nationality, ethnic origin, colour, religion or belief, ability or disability, pregnancy and maternity.

(III). All suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately.

(IV). Working in partnership with other organisations, children and young people and their parents/carers is essential.

We acknowledge that every child or young person who plays or participates in football should be able to do so in an enjoyable and safe environment and be protected from poor practise and abuse. The League recognises that this is the responsibility of every adult involved in our League.

2. The League has a role to play in safeguarding the welfare of all children and young people by protecting them from physical, sexual or emotional harm and from neglect or bullying. It is noted and accepted that The FA's Safeguarding Children Regulations (see The FA Handbook) apply to everyone in football, whether in a paid or voluntary capacity, including coaches/managers, volunteers, match officials, helpers on club tours, or medical staff or other club officials/helpers.

3. The League supports The FA's Whistle Blowing Policy. Any adult or young person with concerns about an adult in a position of trust in football can 'whistle blow' by contacting The FA Safeguarding Team on 0800 169 1863, or by writing to The FA Case Manager at The Football Association, Wembley Stadium, PO Box 1966, London SW1P 9EQ, or by emailing Safeguarding@TheFA.com or, alternatively, by going direct to the Police, Children's Social Care or the NSPCC. The League encourages everyone to know about The FA's Whistle Blowing Policy and utilise it if necessary.

4. We acknowledge and endorse The FA's identification of bullying as a category of abuse. Bullying of any kind is not acceptable. If bullying does occur, all players or parents/carers should be able to access their clubs anti-bullying policy and know that incidents will be dealt with appropriately.

5. The League recognises that safeguarding is everyone's responsibility and our registered clubs are required to ensure their safeguarding children policy and procedures are shared with their members and actively promoted.

The League requires any concerns about a child to be managed by:

(I). Informing the Club Welfare Officer (Youth Teams) (CWO)

(II). If the issue is one of poor practice the club's CWO will either:

- deal with the matter themselves or
- seek advice from the County FA Designated Safeguarding Officer (CFA DSO)

(III). If the concern is more serious - for example a concern about possible child abuse, the CWO must contact the CFA DSO.

(IV). If they are not available immediately, then either the Police or Children's Social Care must be contacted. If the child needs immediate medical treatment then they must be taken to a hospital, if necessary, an ambulance should be called and advised that this is a child protection concern.

(V). If, at any time, a club member is not able to contact their CWO, or the matter is clearly serious then they can either:

- Contact the CFA Designated Safeguarding Officer directly
- Contact The FA's Safeguarding Team on **0800 169 1863** or Safeguarding@TheFA.com
- Contact the Police or Children's Social Care
- Call the NSPCC 24-hour Helpline for advice on **0808 800 5000** or text **88858** or email help@nspcc.org.uk

If the CWO was not available then the club members are required to let them know what action they have taken, they in turn must inform the CFA DSO.

The League understands and accepts our collective responsibility to adhere to and promote The FA's Safeguarding Children Policy and Procedures with our registered clubs.

EQUALITY POLICY AND COMPLAINTS PROCEDURE

The aim of this policy is to ensure that all members of the community are treated fairly and with respect and that the Harrow Youth Football League (the 'League') is equally accessible to them all.

The League is responsible for setting standards and values that apply throughout the League at every level. Football belongs to and should be enjoyed by everyone, equally. Our commitment is to confront and eliminate discrimination whether based on gender, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability and to encourage equal opportunities.

This policy is fully supported by the League Officers and Andy Lowe who holds the post of Executive Officer at the League and is responsible for the implementation of this policy.

Equality at the League means that in all our activities we will not discriminate, or in any way treat anyone less favourably, based on grounds of gender, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability. It means that we will ensure that we treat people fairly and with respect and that we will provide access and opportunities for all members of our activities. And it means that we will not sanction any action, or lack of action, which might disadvantage a member compared to another for any reason related to the list above.

The League will not tolerate harassment, bullying, abuse or victimisation of an individual (which for the purpose of this policy and the actions and sanctions applicable is regarded as discrimination). This includes sexual or racially based harassment or other discriminatory behaviour, whether physical or verbal.

The League will work to ensure that such behaviour is met with appropriate action in whatever context it occurs.

We are committed to the development of a programme of ongoing training and awareness raising events and activities in order to promote the eradication of discrimination within the League and in the wider context, within football as a whole. We are also committed to circulating this policy to all our members and working with them to ensure that this is a shared policy that all members can collectively work towards.

The League is committed to a policy of equal treatment of all its members and requires all members to abide and adhere to these policies and the requirements of the Equality Act 2010.

The League commits itself to the immediate investigation of any claims of discrimination on the above grounds and where such is found to be the case, the practise will be stopped and sanctions will be imposed, as deemed appropriate. We will also work with Middlesex Football Association to achieve the same outcomes.

Complaints Procedure

In case any member feels that he or she has suffered discrimination in any way or that the League's Policies, Rules or Code of Conduct has been broken they should report the matter to the Executive Officer or another member of the Management Committee.

If the complaint is with regard to the League's Management Committee the member has the right to report the discrimination directly to Middlesex Football Association or to The Football Association.
