Issued:

18th April 2021

Caution:

The Government has laid out a contingent plan to start to come out of the current Covid lockdown restrictions. Grassroots football commenced from Monday 29th March, but all of the current Covid guidelines and safeguards need to be in place. We must be aware though that, at any time, the Government can amend the Covid guidelines and safeguards; and, indeed, reintroduce lockdown(s) or postpone the release of any of the lockdown restrictions. Further, the conditions of the easing of lockdown on grassroot football may be amended by the Government or by The Football Association from time-to-time.
